FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator, Department of Public Safety (DPS) - Director's Office, DPS - Missouri State Highway Patrol, Missouri Department of Transportation, Department of Insurance, Financial Institutions and Professional Registration, Office of Prosecution Services, and Department of Revenue** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Office of Attorney General** assume any potential costs arising from this proposal can be absorbed with existing resources.

For the purpose of this proposed legislation, officials at the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide competent, effective representation for any new cases arising where indigent persons are charged with creating fraudulent insurance cards. Passage of bills increasing penalties on existing crimes, or creating new crimes, requires the SPD system to further extend resources. While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide competent and effective representation in all its cases.

Oversight assumes the SPD can absorb the additional caseload that may result from this proposal.
